## 14 ELGIN VALLEY WINE ROUTE

The vineyards of the Elgin Valley Wine Route benefit from high altitudes and cold winters with abundant rainfall, and southeasterly sea breezes in summer. These elements ensure slow ripening, resulting in wines with purity of fruit, complexity and elegance.

The route encompasses 15 wineries, while festivals include Elgin Cool Wine & Country Food and the Elgin Chardonnay Colloquium held annually in October. An exciting development is the Elgin Railway Market with a wine bar, crafts and food stalls.

southernmost tip of the continent at Cape Agulhas, are cooled by the salt-laden winds that blow off the sea, while the area’s uniquely diverse soil types encourage distinctive mineral and flinty flavours in the fruit.
